Subject: Notice of price increase effective 1st April 2026 for Cubis Systems

Dear valued customer,

Thank you for your continued support of Cubis Systems.

The recent geopolitical developments in the Middle East—particularly the situation involving Iran—has had a direct impact on our logistics, energy, operating, and raw material costs.

Despite our efforts to absorb these increases wherever possible, we have no alternative but to adjust our pricing.

As a result, effective 1st April 2026, a 5% price increase will be applied across the following product ranges (excluding telecom products):

- Frames and covers
- Access chambers
- Cable protection
- Cable management and accessories
- Contract moulding
- Meter boxes

We fully understand the constraints this may create, and we would like to assure you that we continue to closely monitor the extremely volatile market situation.

If you have any questions or concerns, please do not hesitate to contact our team. We value our partnership with you and remain committed to delivering the highest quality products and services.

Thank you for your continued trust in Cubis Systems.

Yours sincerely,

Andy Hobbis

Head of Sales – UK & Ireland
